EXPERIENCE

Untold Studios, Mumbai - *Freelance VFX compositor*

Oct 2025 - Jan 2026

- Live action and CG multipass Compositing, Color Correction, 2d 3D elements integration.
 - Team player
 - Best at ideas and execution /problem solver
 - AI Matte(roto/cleanup)/ Dept-gen / smoke /fire /dust & particles Integration
-

Ingenuity Studio , LA - *VFX compositor Remote*

Sept 2022 - July 2025

- Develop eye on detail, which allows me to integrate things really good on the scenes considering matching the light and colour of each different element trying to keep the edges as intact as possible, allowing me to blend all these images together and get the best result within the assigned deadline
 - Combined and executed new ideas and techniques to create high-quality, original images.
 - Evaluated final results and analyzed quality and aesthetic integrity prior to final submission.
 - Communication with Co-Workers to maintain focus and best understanding of priorities.
-
